Acres of cogongrass:

Are there hardwood and/or longleaf pine trees located in the infested area? Yes No

Due to the nature of the chemical *Imazapyr*, application is not recommended within two times the drip-line of a hardwood tree.

I have application equipment available to use? Yes No

Will you be requesting custom application from MCPRCD, if available? Yes No

Have you filed an application with NRCS for cogongrass control? Yes No

Have you filed an application with Bureau of Plant Industry? Yes No

I understand that I will be responsible for applying any herbicides supplied by MCPRCD or MDAC-BPI according to recommended treatment protocols, and agree to follow all label directions as required by the Mississippi Application Law of 1975 and FIFRA. All applications will be limited to land I own or lease. I agree to allow access to the property by MCPRCD or their contracted agents for identification and treatment. I further agree to relieve the Mississippi Coastal Plains RC&D Council, Inc. and their contracted agents of any liabilities associated with this application. Furthermore, I, the owner of aforementioned property, do hereby indemnify and hold harmless from any damages occurring on my property or personal injury as a result of MCPRCD activities. The deadline for completing pesticide applications is October 31.
